

PERMISSION TO DEPOSE TO AFFIDAVITS IN APPLICATIONS FOR ADMISSION

Paragraph 170 of the Consolidated Practice Directive dated 18 September 2020 states that:

“The counsel moving the matter must furnish on caselines an affidavit that he or she has examined the original documents relating to the degrees conferred on the candidate for admission and verifies that they appear to be authentic”.

The Bar Council has resolved that members be granted a blanket permission to depose to affidavits, as required in the Practice Directive.
