IN THE HIGH COURT OF SOUTH AFRICA, (GAUTENG DIVISION PRETORIA)

21 June 2022

**RE: DIRECTIVE FOR THE UNOPPOSED MOTION COURT DATED 28 JUNE 2022
BEFORE HONOURABLE JUSTICE MAUMELA**

The following must be complied with:

1. All applications which have already been enrolled (when the roll closed) are reflecting on the roll for Unopposed applications. No late applications will be considered even if there is an Affidavit from the Registrar as this is the standard to abuse the Rules of the court.
2. All applications should already have been uploaded on Caselines as required in terms of para 172 - 183 of the JP's Directive of 11 June 2021.
3. A Practice Note as well as Heads of Argument must also be served and filed **(on Caselines only and not to be sent to the Judge's secretary)** by all parties concerned.
4. Failure to file Practice Note(s) and/or Heads of Argument timeously, will be an indication that there is no appearance for the party concerned and the application may then either be struck off the roll or be dealt with in the absence of such party.

5. The application will then be adjudicated by means of **paper reading** unless the Judge directs to hear an application virtually (conducted via Microsoft Teams). In this case, lay litigants must attend in **Court 6E**.
6. It is the duty of the applicant's attorney to ensure that the matter is **timeously (before the closing of the roll)** and fully uploaded onto **Caselines**, with an **index to identify** and find documents easily, and that the Judge will have access to it.
7. Filing of papers which were **impossible** to upload on Caselines, must be done via email to the Judges' clerks, **with an affidavit** explaining what steps were taken to upload, when and by whom the steps were taken and why it was not possible to upload on Caselines. The judge's clerk must then be informed telephonically that an email has been sent.
8. A clear indication (without referring to the heads of argument) **which portion of the papers must be read** and which not.
9. Indicate The **main issues** to be considered.
10. **Return of service** by the sheriff, and if not, why not.
11. **Reserve price** on the sale of immovable property.
12. All practitioners are requested to prepare a **draft court order by using "MS Word format"** (to allow for alterations) and **to upload it onto Caselines only**. A failure to comply with this request may result in the application be struck off the roll.
